

2011 Cruise Schedule

Borneo – Sangalaki, Derawan, Maratua, Kakaban and Much More | Celebes Sea – Toli-Toli Bay, Palu, Manado, Bunaken, Lembeh Strait | Triton & Etna Bays | Raja Empat | Cenderawasih Bay | Halmahera

In 2011, we cruise across the Northeastern part of the Indonesian archipelago in search for the best dive sites, offering you an unmatched variety of the very best Indonesia has to offer.

- The islands off Borneo: a guarantee for mantas, large schools of barracudas, sharks, countless turtles, and lots of other pelagic fish
- The Sulawesi coastline of the Celebes Sea, boasting world-renowned destinations like Manado/Bunaken and Lembeh, as well as virtually unknown and undived treasures that live up to the highest diving standards
- Raja Empat, Triton & Etna Bays, and Cenderawasih Bay in Papua, unmatched in terms of biodiversity, hard and soft corals, and surface scenery
