

Hotel Tikehau Pearl Beach Resort - 4*

Travellers in search of rest can enjoy the small hotel spa, its poolside deck chairs and the pink sandy beaches of the island. Explorers can swim with stingrays, go fishing, explore the reef or the bird island, look for shells, visit the village by bicycle, meet the locals, picnic on a desert island... there are so many things to do without any ploys... a genuine return to nature.

Once the body is calm and the mind emptied, a delicious dinner awaits you in the restaurant or under the stars, the Chef Eric Lafont, newly arrived on the island, will delight your taste buds with an explosion of local and international flavours... Find yourself and relax in the heart of the Tikehau Pearl.

Reminder: Only Beach bungalows and Overwater suites are equipped with air conditioning, the Overwater Bungalows do not have direct access to the lagoon because of shallow water and the natural reef on which they are built.
