Day 2: Buenos Aires

You will be collected by our expert and friendly Argentine guide and a driver for a tour of Buenos Aires. The guide will take you on and off the beaten track in this lively and beautiful city. You will have a car at your disposal, but we recommend getting out and walking for some of the tour. Obviously the tour will take in the main highlights, but we encourage you to let our guide know what sorts of things you like to see and so they can tailor the tour for you. It could be that you want to see more of the main sites, or it could be that you want to stroll amongst the small local boutiques of Palermo Soho or San Telmo. This afternoon is left free but our concierge will be able to assist you should you wish to make further arrangements.

This evening you be collected at the hotel for a tango show at the Faena Hotel, where Rojo Tango is located. It is a five star hotel in the upscale Puerto Madero district. Designed by the famous Alan Faena, the brick hotel is a beautiful setting for this dramatic, cabaret style tango show. The Rojo Tango dinner and show promises "love, passion, madness and glamour" expressed through the beauty and history of tango. The venue is all red—red curtains, red carpeting and red chairs—so the show plays to this ambiance of romance and melodrama. The show includes dinner and drinks, and returned private transfers.
