Overnight at the Park Hyatt Palacacio Duhau in a park double room with breakfast included.

Day 2: Buenos Aires

You will be collected by our expert and friendly Argentine guide and a driver for a tour of Buenos Aires. The guide will take you on and off the beaten track in this lively and beautiful city. You will have a car at your disposal, but we recommend getting out and walking for some of the tour. Obviously the tour will take in the main highlights, but we encourage you to let our guide know what sorts of things you like to see and so they can tailor the tour for you. It could be that you want to see more of the main sites, or it could be that you want to stroll amongst the small local boutiques of Palermo Soho or San Telmo. This afternoon is left free but our concierge will be able to assist you should you wish to make further arrangements.

Overnight at the Park Hyatt Palacacio Duhau in a park double room with breakfast included.

Day 3: Buenos Aires to Puerto Iguazu

You will be taken to the airport by private executive car at a prearranged time. On arrival at Iguazu airport our driver will be waiting to take you to the hotel.

Overnight inside the National Park at the Sheraton Iguazu in a falls view double room with breakfast included.

Day 4: Private Full Day Tour of the Argentinian side of the Iguazu Falls

We always start the tour early in order to beat the crowds and get the first train to the Devil's Throat, where you can walk along the catwalks over the islands to the most spectacular view of the entire Devil's Gorge, a balcony over the falls. You then have plenty of time to walk the 800 metres of paths on the upper circuit. These new suspended walkways are detached from the jungle surface so as to protect the fauna by preventing disruption of their natural trails. From this circuit you have an upper view of the falls, enjoying their magnificence with a panoramic view. It takes around 1 hour to cover the upper circuit. The lower circuit contains 600 metres of walkways, also detached from the jungle floor, and has great views from below and around the falls. Once you have finished all the circuits, you must go back to the visitor centre where the vehicles are waiting for the transfer to the hotels or the airport.

Overnight at the Sheraton Iguazu in a falls view double room with breakfast included.

Day 5: Iguazu-Mendoza

You will be taken to the airport by private car at a prearranged time. On arrival in Mendoza airport our driver will be waiting to take you to the hotel, which is just south of Mendoza in Chacras de Coria.

Overnight at Finca Adalgisa in a standard room with breakfast included.

Day 6: Private Wine Experience Lujan de Cuyo with lunch (FD)

This tour allows us to compare the tradition of a family winery like Catena Zapata with an industrial and international style winery like Bodega Norton, and a world class boutique winery like Ruca Malen. Catena Zapata seeks the best expression of terroir in each crop, and Ruca Malen strives to attain the highest possible quality at every step. Bodega Norton is one of the oldest in Argentina, with over 100 years of wine making experience.
