Your Itinerary – Detail

3 Nights in Dubrovnik

Dubrovnik offers an unusual blend of modern culture and ancient traditions. Marble-like polished limestone streets, a labyrinth of alleyways, and breathtaking architecture compose the unique atmosphere of the Old Town. You'll experience a true variety of sightseeing, leisure, and outdoor adventures here. Dubrovnik's most stunning feature is the 82-foot tall city wall which extends more than a mile. Game of Thrones fans will be in luck, as we offer a special tour to local set locations. King's Landing never looked so good!

There's a rich selection of live performances for music lovers here, as concerts are performed daily, and in July and August the Dubrovnik Summer Festival of music, theatre and dance brings incredible performers from around the world. The nightlife is also exciting, with restaurants, cafes and bars that will keep you socializing until dawn. You'll be staying in beautiful accommodation within short walking distance to all the major sites, so you'll be able to sample a little of everything. But there are also several exciting day trips and cruises to enjoy. From kayaking through hidden coves to an authentic Croatian cooking class, vineyard tours, and trips as far afield as Montenegro, you'll have more than enough to fill your itinerary.

Day 1 - Arrival in Dubrovnik

After your flight arrives in Dubrovnik, we will have someone meet you at the airport and bring you to your centrally located Dubrovnik accommodation. Our representative will then meet with you to answer any questions you have and to get you settled for the rest of your trip.

Day 2 - Your First Full Day in Dubrovnik

Get to Know Dubrovnik on a Private City Walking Tour

Included in your vacation package price.

Today you'll be exploring the elegant main streets and picturesque paths of Dubrovnik, with your own personal guide. This truly is one of the most beautiful medieval cities on the Adriatic. A walking tour of Old Town will take you to its elegant main street and most of its most important sights: The Franciscan Monastery, Onofrio's Fountains, Sponza Palace, Orlando's Column, the City Bell Tower, the Church of St. Blaise (the city's patron saint), and Rector's Palace, the seat of the Republic, and the Cathedral. This is the perfect orientational tour of the Old town and will give you the best insight into the rich history of Dubrovnik. You'll learn what there is to see and do in Dubrovnik and how to get around.

G) Activity Level : Light
O Duration : 1 hour 30 minutes

Dubrovnik From a Different Perspective

Included in your vacation package price.

See Dubrovnik and paradisiacal Lokrum Island from a new angle, with the help of a private guide and your own sea kayak. No experience is required, and the kayaks are equipped with waterproof chambers so you don't need to worry about soaking your camera! You'll leave the town's port, getting a scenic perspective of the historic city walls as you paddle past. Soon you'll arrive at Lokrum's hidden Betina Cave, an excellent opportunity for swimming and snorkeling. You'll receive equipment for snorkeling, along with water. Lunch will be provided at the beautiful Lacroma, a restaurant in Lokrum's peaceful center. Strolling around, you can visit Lokrum's botanical garden (with its 500 types of plants), museum, Game of Thrones center, and much more. With no residents or cars, the island is always calm and quiet.

G) Activity Level : Moderate
O Duration : 4 hours 30 minutes -5 hours

Day 3 - Your Second Full Day in Dubrovnik

Visit a Neighboring Country on a Group Tour

Included in your vacation package price.

Today you'll explore the Adriatic's beauty and deep history via a group tour to Montenegro. This tour generally lasts for 12 hours, departing early in the morning, and returning you to Dubrovnik in early evening, in time for dinner. We recommend other tours from mid-June to mid-September, as the border crossing can be overcrowded during peak season.

Montenegro may be one of the world's youngest, and smallest, countries, but it sure fits in a lot of towns sitting within Medieval walls, and above unspoiled beaches! You'll take in some of the best vistas of the Bay of Kotor, Europe's southernmost fjord, before arriving at Kotor. This UNESCO-listed town has retained its original Venetian walls. You'll eventually continue south to Budva, where medieval walls sit above nearly transparent waters. With a full day, you'll have plenty of time to take in Montenegro at your own speed - we recommend the oysters and mussels grown in the bay's clean waters.

G) Activity Level : Light
O Duration : 12 hours

Day 4 - Traveling to Hvar by Ferry

Today you're off to Hvar, Europe's sunniest island! Our representative in Dubrovnik will provide you with tickets for the ferry which leaves in the afternoon. You will be picked up from your accommodation by your private driver who will take you to the port in plenty of time for your departure.

3 Nights in Hvar

One of the gems of the Adriatic, Hvar is more than a beautiful coastal town. It's also an ancient epicenter of culture, boasting the oldest communal theater in Europe, and a stunning medieval fortress dating back to the 7th century. There's a little bit of everything here, from history and architecture to modern culture, outdoor adventures and isolated beaches. Whether you want a vacation that's action-packed or something more relaxing, Hvar will offer more than enough variety to please you.

The longest of the Adriatic islands, Hvar's fertile landscape makes it perfect for growing grapes, giving you several local vineyards to visit. Be sure to sample the local cuisine, which emphasizes freshly caught fish, warm bread, and vegetables grown on the island. We can offer a tasting tour at the finest local vineyards. Those seeking an active vacation will not be disappointed either, as there are several possibilities for sailing, swimming, exploring the sea caves along the coast. You can also take a hike in Hvar's many hills, or go offroad with a local guide. This is a relaxing destination with warm locals. It's an ideal summer vacation spot.

Day 4 - Arrival in Hvar

Upon arriving in the port of Hvar, you will be met and brought to your accommodation.

Day 5 - Your First Full Day in Hvar

Pakleni Islands and Southern Cost of Hvar Private Speedboat Tour and Scuba-diving Experience

Included in your vacation package price.

Locals translate Pakleni as Hellish but we think you'll find it heavenly. At the harbor you'll meet your skipper for the day then set sail for the Pakleni islands, a short distance from Hvar. Once there you can enjoy the freedom that comes from having your own boat, without the responsibility of navigating. Your skipper will show you secluded coves and the very best beaches on this chain of islands as well on the southern cost of Hvar island. Dive into the water straight off the boat and snorkel in tranquil bays, admiring all the sea life of the Mediterranean. A stop for lunch makes this a complete day of fun relaxation.

G) Activity Level : Light
O Duration : 8 hours

Day 6 - Your Second Full Day in Hvar

Free Day. Explore on your own or choose from our many excursions or suggestions presented in your online trip proposal.

Day 7 - Traveling to Split by Ferry

A taxi will bring you from your Hvar accommodation to the port where you'll enjoy a quick 1-hour ferry ride to Split.

3 Nights in Split

The Roman Emperor Diocletian made Split his home in the 4th Century AD, building a vast palace complex on the waterfront that stands to this day. In fact several of the accommodation options we offer in Split are nestled inside its ancient walls. These days there is an embankment in front of Diocletian's palace but the water used to go right up to the main wall. It's on this man-made strip of land that you'll find the Riva, a pedestrian promenade bustling with life. Split's UNESCO listed Old Town is contained within these old walls and is a pedestrian-only maze that it is quite easy, but fun, to get lost in. Who know what romantic hidden cafés you might find in one of the narrow streets and alleyways? To get the best out of your time in Split, however, we recommend taking a tour with a local guide.

Split is very well connected for flights, with an international airport a half hour drive away and is a popular stopping point for our guests on their way between Dubrovnik and the islands of Hvar, Vis, or Korcula, all easily reached by a ferry from Split's port. If you base yourself in Split for a few days, you will find it is also perfect located for visits to some of Croatia's most stunning national parks.

Day 7 - Arrival in Split

You'll arrive at Split's ferry port, and from there it is an easy walk to your accommodation in the city's Old Town. We will arrange for assistance with your luggage.

Explore Diocletian's Palace with an Expert Guide

Included in your vacation package price.

Today you'll explore the inspiring city of Split with a local guide. You'll be picked up at your accommodation and led through the UNESCO-listed 1,700-year-old Diocletian's palace, which is just the beginning of the tour. You'll also see the Cathedral of Saint Duje, one of the most beautiful cultural wonders on the Adriatic coast. And you'll explore the ancient cellars as well as the square in the center of the palace. The stunning Roman temples will awaken the spirit of another time for you, as will the famous Golden Gate and the big statue of Grgur Ninski. This is the best way to get to know the incredible history of this ancient city center.

G) Activity Level : Easy
0 Duration : 1.5 hour

Day 8 - Your First Full Day in Split

Krka Waterfalls and Sibenik Group Tour

Included in your vacation package price.

The Krka Waterfalls are one of Croatia's most stunning natural wonders. Travel along the beautiful coast, passing picturesque villages and islands. Krka itself will greet you with crystal clear water, waterfalls, creeks, and lakes. This is the perfect place to relax and get back in touch with nature, and even go for a swim. After lunch, stop in Sibenik, home to one of the country's most beautiful (UNESCO-listed) cathedrals.

G) Activity Level : Light
0 Duration : 10 hours

Day 9 - Your Second Full Day in Split

Blue Lagoon and Trogir Group Tour

Included in your vacation package price.

Split is a big city, but the surrounding area is perfect for a relaxing day at the beach. You'll admire the natural beauty of the Blue Lagoon on this fun excursion. Resembling a tropical paradise, the mesmerizing Blue Lagoon has clear turquoise waters, everlasting sunshine, and a sandy seabed. After exploring the lagoon, you'll stop at the charming UNESCO-listed island town of Trogir, with its preserved Venetian architecture encompassed by city walls.

G) Activity Level : Light

O Duration : 5 hours

Day 10 - Departure Day

Based on your departure time, we'll arrange for a driver to pick you up from your accommodation and transfer you to the airport for your flight.
