<b>2020 Day by day itinerary for 8 day combo trip Feb 10 - 17</b>	
<b>Date</b>	
<b>Day one (Friday) February 10</b>	Our driver meets you at 7:00 a.m. at the Holiday Inn Bayside in San Diego. From there he drives you approximately 1 1/2 hours to the Ensenada Airport where you will meet your flight to Guerrero Negro. Upon arrival at the Guerrero Negro Airport you will be transferred approximately 1 1/2 hours to our secluded and very nice seaside camp location. (D)
<b>Day two February 11</b>	Today we go on two gray whale watching boat rides at Laguna Ojo de Liebre. We always expect to have fun on every boat trip. Every trip seems different, but you can be assured that you will see hundreds of whales while out on your whale watching trip. But no trip to see the gray whales would be complete without a very close encounter with a friendly whale. We do not offer a guarantee that this will happen. But we have a perfect 20+ year record for close encounters for our five day and longer trips. We expect that you will have a great whale watching experience. (B, L, D)
<b>Day 3 February 12</b>	After breakfast your group will drive across the Baja Peninsula to the Sea of Cortez where you will stay in Loreto tonight at the El Dorado Hotel. (B) (In Loreto each traveler pays for their own dinner whether eating as a group of alone)
Day 4 & 5 Feb13-14	These are your blue whale watching days. Each day you will get up and have breakfast at 7:00 a.m., then arriving at the dock at 8:00 a.m. Our days of whale watching in Loreto are always started early because of the constant afternoon winds. Time on the water is dependent on many variables such as location of the whales, weather and sea conditions. (B & L)
