

Day 1

**Below is a general outline of our Blue and Fin Whale day tour itinerary. Please note that this is our ideal schedule; however it may be adjusted due to weather or other items outside our control. Your adventure consultants and guides will brief you with any updates prior to your departure.*

7:30am Meet in the Hotel Lobby

Get to know your group and Sea Kayak Adventures guides prior to your whale watching adventure! **Please have breakfast on your own before meeting the group as it is not included in your itinerary.*

8:00 - 8:30 am Depart the Loreto Marina

Let the whale watching begin! Keep your eyes peeled as you head into the whale corridor. Spend the next few hours looking for blue and fin whales; don't be surprised if you get a visit from a friendly pod of dolphins along the way.

12:00 pm Lunch

Get your feet back on dry land for a short lunch break. Enjoy a stroll along the beach or some intertidal exploration with your guides before lunch.

1:00 - 3:00 pm Whale Watching and Return to Loreto

We will continue our whale watching following lunch, hoping to see some more incredible sightings of blue and fin whales. By mid afternoon we will begin making our way back to the Loreto marina for the conclusion of our tour.
