Activity Operators and Tour Guides In New Zealand there are many operators doing what may appear to be the same sort of activity with no point of difference from the rest. In reality some of these experiences are worlds apart from one another. Like us, the guides and the operators we use make it their uppermost priority to provide you with the finest, safest and environmentally friendly experience on offer in New Zealand. If we don't do it it's not worth doing and for good reason!
