Useful Information:

- **Vaccinations**

Make sure to consult with your physician, which immunizations might be needed for Peru. We recommend immunizations for Hepatitis A & B and Typhoid. You might also consider a vaccination for the Yellow Fever and preventive pills for Malaria, if you are going to the rainforest or jungle. Travelers should be current on all other standard vaccinations. ALWAYS consult with a physician before you travel.

- **Tipping Policy**

Tips are not included in the price, however, we want to clarify that tipping is not an obligation. Each passenger decides for themselves if, and how much, they want to tip.
