Fan Beach View Bungalow

The Beach View bungalows are located just behind the Beach Front bungalows in nice landscaped settings, but they are strategically placed so you can still see the blue lagoon from the terrace. The bungalows are very spacious and romantic in set-up. You will be pleasantly surprised when you see your bungalows's bathroom. The shower is built according to Tahitian's tradition, with a small rock garden and a partly open roof to let the fresh ocean air in. They have the same size as the Tiare bungalows, the same decoration and interior.
